 - Darrin Galvao EWP Designer dgalvao@warrentraskcompany.com
-
- All electronic plans are submitted through plans@warrentraskcompany.com
 - Our goal is a 5-7 day lead time on drawings with most being returned within 3-5 days
 - All EWP drawings are laid out using Boise's BC Framer whole house design software
 - BC Calc is a single member sizing software used to size I-Joist and Versa-Lam products; engineered stamps can be provided upon request
 - Product can be onsite within 48 to 72 hours
 - Jobsite Delivery available upon request. Additional fees and lead time may apply.
 - Orders can be emailed to EWPorders@warrentraskcompany.com
