Spectrum

**THE ULTIMATE PAINT
GRADE BOARD!**

- Collaborating with Warren Trask, Hancock Lumber developed the Silver grade to meet the demand for a high quality, versatile, solid board at a great value.
- The teams worked closely to ensure compatibility between the new grade and the Warren Trask Spectrum priming program, resulting in a high quality primed and painted product with every board.
- **SPECTRUM** is a primed pine program designed to provide a high quality, tally efficient product to retail lumber yards that will meet the demands of cost conscience contractors in today's competitive market.
