Rafter Tail Cuts

Rafter Tail Cut _____ (Indicate by letter)

Notes:

- Dimensions are measured outside-to-outside of the posts
- Rafters are framed @ 16" o.c. & Purlins @ 24" o.c.
- All Hardware is Stainless Steel
- Field cuts for concealed post bases required
- All wood material is Radiata Pine (Tru-Pine) treated to resist decay and carries a minimum 30 year warrantee.
- Tru-Pine comes preprimed- ready for top coating with a recommended two coats of exterior acrylic house paint.
- Pergola kits come with parts precut (with the exception of post bases) and with ends of beams and rafters milled with the end profile of your choice.
- Pergola kits include hardware required for assembly.

Notes:

Tru-Pine material is also available in stock lengths or cut to a specific length with ends milled with any of the profiles shown above.
